referred to him from time to time. Government consider that the post of Advocate-General is one of great trust and responsibility to be filled in by persons of high ability and unquestioned integrity and who are able to appreciate the significance of the constitutional and administrative changes in the country. They are further of the view that, in the present circumstances, the functions of the Advocate-General could more usefully and appropriately be performed by an Attorney-General holding office during the term of the Ministry and advising the Ministry on all legal questions referred to him by the Ministry. Mr. K. G. Kunjukrishna Pillai who is now functioning as the Advocate-General does not command the trust and confidence of the Ministry so that it is found not possible to post him as the Attorney-General.

Government therefore order the post of the Advocate-General being abolished and Mr. K. G. Kunjukrishna Pillai being reverted to his original office as Government Pleader. He will be the seniormost Government Pleader attached to the High Court and draw the salary sanctioned for that office. Government also sanction the post of the Attorney-General being created on a pay of Rs. 750 per mensem. The Attorney-General will function as the chief of the law officers under Government and will advise the Ministry on all legal questions referred to him by the Ministry. He will hold office during the terms of the Ministry. Mr. K. A. Gangadhara Menon B.A., B.L., Advocate, Trivandrum, is appointed as the Attorney-General.
